

THE UMBRIAN MUG

Greetings and Salutations!

Welcome to this edition of the Umbrian Mug. This edition is for the month of February and March 2004. If you know of a Kingdom member who isn't getting the Umbrian Mug, please let the Crown know so that the problem can be rectified.

Chronicler's Apology

I sincerely regret the tardiness of this month's mug. I ask for forgiveness from the Crowns and the populace. I will strive to make sure this does not happen again. Waldham

Royal Address

Unto the Populace do Dame Nisha and I send greetings. We would like to thank everyone for their assistance and support that you have shown us during our reign.

We would also like to give our heartfelt thanks for the conferring of our retirement titles to us.

There were many outstanding events during our reign that we enjoyed very much. It was quite interesting going to Florida and meeting people who look at things in a somewhat different light than we do. It was quite informative.

Thank you again

Dame Nisha, Countess Royal
Sir Waldham, Earl of Lockerby.

Dame Ravyn and Sir Pavo

Unto the Populace of Umbria do we send our greetings and thanks.

Your support that enabled us to attain the thrones was greatly appreciated. If there is anyone that we missed personally thanking, we apologize to them. We are looking forward to the rush of upcoming events starting with the Local Estates meeting, followed a week later by our hosting the Imperial Estates meeting. Everyone's assistance in the Imperial Estates meeting will be greatly appreciated. Lets all of us show what a great Kingdom we truly have here. Again, we are looking forward to the an interesting and fun reign in the upcoming year

HRM Ravyn and HRM Pavo

Special Note:

The proposed KAET Demo/man the phones event has been cancelled due to differences with the KAET management.

Their Majesties welcomed and thanked all for attending. Sir Richard Corazon del Oso presented the following words to the populace. He again welcomed and thanked all for attending stating a year has passed since our last Yule Feast, many things within our game have changed. Our Kingdom has grown. We have gotten many new members through recruitment and births. Alas, we have also lost members to tragedy, the most recent being Wally, Keara and Arimis's son-in-law. Let us take a moment to reflect on our losses.....at this time, I wish for any here that can spare something to help, please do so. A jar for donations has been set at Red Wyverns table. Thank you.

Dame Sophia Ravyn Bella Donna requested that Sir Matthew the Just and Page Legolas Skyhawk come into Court. With much

emotion she informed Page Legolas that she has noticed all the hard work he has done for her and the Kingdom. Where upon she elevated him to the position of Squire. Squire Legolas was then presented to the Kingdom and given a Squire Hug that nearly drove him from his feet.

Squire Isabella McShane called into Court with her Knighting party. HRM Sir Waldham then stood and removed his Chains of State so that he could preside with Squire Isabella as her Knight. Sir Waldham spoke to the populace and Sq. Isabella on how long a wait this has been and how proud he was of this moment. Sir Waldham reminded the populace that Isabella had originally Squired to his wife, and with her passing that bond was broken by law but not in spirit. He was honored that Isabella chose to Squire to him till she reached Knighthood. Sir Waldham then released Isabella as his Squire. She then received the accolades of Knight Bachelor. Sir Waldham then administered the coulee.

Liam and Shahara called into Court. HRM Sir Waldham thanked them for their hard work and support. From this point on they are now Lord and Lady of the Court.

Lord Carlisle called into Court. HRM Sir Waldham thanked him for his hard work and support and awarded him the title of Baron of the Court. House Twin Dragons Sire, Dame Dominika Delafort presented the raffle ticket box to Lady Alexandria Rosalia to draw forth the name of the winner of the

Heavy Renn and matching Gauche w/buckler. This drawing was held to add to the coffers of the Royal Travel Fund. Lady Alexandria Rosalia drew the name of Baron Carlisle. As noted by Sir Richard Corazon del Oso, every Baron needs a sword of state. HRM Sir Waldham then decreed that he would like to see Baron Carlisle on the field with it someday.

Sir Prize called Sir Matthew the Just into Court. Sir Prize then announced to all present that Sir Matthew had taken the accolades of Knight Bachelor at Sir Waldham's Castle and he will be accepting challenges from those who had not yet the opportunity.

Sir Blackarrow expressed his gratitude to those who presented such a fine feast, to many Hazzahs from the populace!!

Gypsy King Gaetano called into Court by HIM Dame Aislynne to bid him to investigate from the Populace of Umbria, how a young man could walk off with the Crown Jewels and not one person raised hand or word to find out why. The young man was under orders to fetch the Crown, but yet no one questioned him and perhaps, because of his skill, maybe he could be a gypsy.

Sir Prize called into Court to present to Lady Alexandria a rose, the final rose of Sir Prize's Court of Love.

Sir Ivan, Lord Mannochemore, the uncrowned prince of Terra Nueve, called into Court, with much ado, reminded the new Heirs that a debt still remained to be paid to a fair Lady of Umbria. Pointing to Lady Alexandria, he then called forth, Ushawn Blackhart. The rash young man, swearing that he was "gods' gift" for any woman, wondered if Squire Alexandria was of marrying age. Her Knight, Sir Waldham, standing and drawing his blade, questioned the audacity of the young man. Whereupon it was discovered that Lady Alexandria had returned valuable items belonging to the Seawolf and should receive a reward. It was settled that an amethyst heart pendant would be

more suitable for the young lady, rather than an arranged marriage.
